**Saturday, June 29, 2024**

**'The Best of London' Virtual Event – Unveiling Insights from  
WCTC 2023!**

We are thrilled to invite you to 'The Best of London,' a one-day virtual event that promises to be a captivating exploration into the world of thyroid research.

Join us as we bring together globally acclaimed thyroid experts who will shed light on the most compelling topics discussed at the World Congress on Thyroid Cancer (WCTC) 2023.

**July 9 – 12, 2025**

**WCTC 2025 Boston, USA**

The scientific program for WCTC 2025 in Boston is under construction and will be released at the end of June 2024.

The WCTC Board is hard at work designing an exceptional program that will combine keynotes, plenaries, panels, workshops and so much more.

Make plans now to attend the next major in-person meeting of WCTC. Join us in Boston next year!
